DETAILED ACTION

Response to Arguments

1. In re pages 3-5, the applicants request the following: 1) That initials be placed next to PCT 95/6391 and Royal Phillips Electronics Reference in the IDS filed January 26, 2004, 2) That initials be placed next to US 6,763,178 for IDS filed December 8, 2005 and 3) That US 6,493,038 in IDS filed on December 24, 2008 be considered as well.
2. In response, the examiner has completed the requested in 1) and 3) above, however, in regards to 2), since the US 6,763,178 was already listed in the PTO-892 form dated March 22, 2006, the reference as cited in the IDS filed December 8, 2005 has already been considered and need not be repeated. If the reference as cited in the IDS is considered/initialed on top of the same reference already being cited in the PTO-892 form will prove a problem when the application is ready to published, as the reference will be printed twice.
